學生優秀理論論文獎申請表
NCTS Student Outstanding Paper Award
Application Form

A. Personal Information

1. Name: _____
2. Institute: _____
3. Email: _____
4. Phone: _____
5. Research Advisor: _____

B. Basic Information about the Paper

1. Title:
2. Journal References (Authors, Journal Name, Volume Number, Page or Article Number, and Publication Date):
3. DOI or URL:
4. Research Topic:
 - Quantum computing and interdisciplinary applications
 - Quantum physics and engineering
 - Quantum information and communication
 - High energy phenomenology
 - High energy theory
 - Theoretical and computational Astrophysics
 - Computational quantum materials
 - Strongly correlated condensed matter and cold atom systems
 - High-performance computation and machine learning
 - Nanoscale Physics and Chemistry
 - Complex systems

Please send the application form together with a PDF version of the submitted paper, and a letter of recommendation to “apply@phys.ncts.ntu.edu.tw”; subject line: **Application for NCTS Student Outstanding Paper Award - [Applicant’s Full Name]**.
